15th May 2018

Dear parents and carers

You may have already received emails from a variety of online websites that you use regarding the General Data Protection Regulations (GDPR) that are coming into force on May 25th 2018.

These new regulations also apply to schools and relate to how, why and where data is stored within school to ensure that all data is safe and secure. As part of our compliance with GDPR we need to issue you with a new privacy notice. This notice is attached and the slip at the bottom of the letter acknowledges that you have received it. A copy will also be displayed in our school entrance and you will also find it on our school website.

One important change to note from our current protocol is that parents must respond and give consent for school trips. We will issue a form that covers local walking trips (to Bishop Barrington, King James, swimming baths etc.) at the beginning of the year but all other trips beyond Bishop Auckland will have individual consent letters which you can consent to via your registered email.

If you have any questions or queries please do not hesitate to contact the school.

Regards

E Stevens
