

Sports Premium Spending 2018-19

Cockton Hill Junior School

Sport Premium Spending Aims 2018-2019

Cockton Hill Junior School will receive **£18,190** in Sports Premium funding for the academic year 2018 - 2019. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport offered. This document will be updated with evidence and impact at appropriate intervals during the academic year.

There are **5 key indicators** that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Aims of using the Sport Premium funding at CHJS:

- To develop an enjoyment of sport and physical activity and promote a healthy lifestyle in children from an early age;
- To support all pupils to realise their ambitions and identify their skills and talents and embrace these;
- To educate all pupils in how to maintain a healthy lifestyle and use sports activities to maintain good health and develop positive social skills;
- To engage pupils in continuous PE outdoor provision during breaks and lunchtime;
- To improve expertise and confidence of staff by providing high quality CPD;
- To support teaching to raise end of key stage outcomes for all pupils;
- To further develop the provision of extra-curricular sporting activities across the school year with a specific focus on engaging new starters to school and pupils with previous low participation levels;
- To ensure that all pupils are able to access provision by providing opportunities for all pupils to participate in out of school sporting events and by supporting transport issues to events.

This spending will be sustained by using the premium to upskill teachers in delivering high quality and engaging PE lessons. Extra-curricular activity this year will be a model for future years and support all staff in leading this provision.

£2641	PE resources for the quality teaching of PE	To support teaching to raise standards within PE lessons and provide pupils with experience of a broader range of sports.	2, 3, 4	New	Purchase of new kit has enabled a broader range of sports to be offered in curriculum PE, school sport and physical activity (e.g. kurling, boccia) Improved kit has been purchased to raise standards in PE lessons as equipment can be used more specifically, e.g. nets for tennis, rounders equipment. Staff have commented positively on the new equipment and the impact this has made on provision.	Equipment to be maintained to support PE teaching in future years. Next step for 2019-2020 is to broaden the range of extra-curricular clubs/lunchtime provision to use resources more effectively. Staff to have a full list of equipment available to plan provision accordingly.
£500	Transport for pupils to attend competitions and festivals	To ensure that all pupils are able to access provision by supporting transport issues to events.	5	Ongoing	Transport has allowed for pupils to attend events such as the Football World Cup league event and cricket tournaments where pupils have competed successfully such as coming first in the area for girls' cricket. Transport has provided pupils with the opportunity to access a wider range of provision.	As a school we will continue to support pupils to attend competitions and festivals through transport spend.
£380	Football league registration for the whole school	To ensure that all pupils are able to access provision by providing opportunities for all pupils to participate in out of school sporting events.	4, 5	Ongoing	Pupils have been able to access provision for football enabling them to compete against other schools, finishing second in the league.	Staff will continue to run football provision for pupils to engage and compete in.

Monitoring and Evaluation

Sports Premium spending will be monitored by a team made up of the PE lead within school, a member of the SLT and the governing body on a termly basis. This will be reported to the full governing body at each termly meeting.

Impact in 2017-18

- 100% of lower school pupils have represented the school at an external sporting event
- 79% of pupils have participated in lunchtime games
- 100% of pupils have participated in intra-school competition
- Staff CPD on differentiation in PE (delivered through staff meetings) has been evidenced in planning and is beginning to have a greater impact within lessons
- PE lessons have been resourced, prepared and supported across the year in all aspects of PE
- Additional swimming provision and high quality swimming teaching has raised outcomes for Year 4 pupils
- Higher engagement of PP and SEND children across all areas of extra-curricular provision
- Strong performance at external sporting events – marked success in football, cricket and rounders
