

Educate and Celebrate

Article 2: All children have these rights.

As a Gold Rights Respecting school, we are proud to be working towards becoming recognised as an Educate and Celebrate best practice school. We aim to make our school a safe and inclusive environment for all and to ensure equality and respect for the LGBT+ community. Follow our journey on this page.

What is Educate & Celebrate?

Educate & Celebrate is an Ofsted and DfE recognised Award Programme that gives staff, students, parents and governors the confidence and strategies to implement an LGBT+ inclusive curriculum to successfully eradicate homophobia, biphobia and transphobia. It is designed to prepare children and young people for life and to give them a good understanding of how Equality and Diversity is protected by the Equality Act 2010. Please take a look at our child friendly [Code of Conduct](#).

Pride Patrol

The Pride Patrol are a group of children from across school who act as our equality ambassadors. They help create a school community where everyone celebrates diversity and is protected in accordance with the nine protected characteristics of the Equality Act 2010. The Pride Patrol work to promote inclusivity and raise awareness of issues which affect the LGBTQ+ community.

Our Journey

Anti-Bullying Week November 2021

As part of anti-bullying week we explored the Educate and Celebrate Code of Conduct and the protected characteristics. Each class was allocated with one of the protected characteristics and asked create a design or image that would represent the given characteristic in a child friendly way. These designs contributes towards our whole school, child friendly Code of Conduct created by the children. This is displayed in the main reception, in classes and around school.

LGBTQ+ History Month February 2022

LGBT History Month

LGBT+ History Month is an annual event intended to celebrate and spread awareness of the LGBTQ+ community's numerous contributions throughout history. In the UK, LGBTQ+ History Month is held in February. As part of our Pride Inclusion Award, we found out more about the LGBTQ+ community and how to spread awareness. Pride events are an opportunity to celebrate the diversity and gender differences in our world, promoting equal rights for all. The events are also a celebration of how far equal rights have come and how LGBTQ+ people are viewed in society. The theme this year is Politics in Art. Children across school used a range of picture books throughout LGBTQ+ History Month.

IDAHOBIT Day May 2022

The Pride Patrol in school organised an event in school to raise awareness of homophobia, biphobia and transphobia. They began by delivering a whole school assembly to raise awareness of discrimination and celebrate diversity. Children came to school in rainbow clothes and explored a range of picture books with an LGBTQ+ theme.
